### Purpose

About \$350 billion of the \$2 trillion economic stimulus package recently signed into law are directed to provide loans to small businesses, with the opportunity for loan recipients to receive forgiveness and not have to repay the amount borrowed. Starting April 3, smaller 501c(3) organizations will be able to access these funds, as well as for-profit small businesses and sole proprietors. This webinar will explore the types of small business loans that are available and which one(s) might be the best fit for adult day services providers.
