Dear Members,

We hope you'll join us for a great day of golf to support a great cause!

On behalf of the LeadingAge Minnesota Foundation Board of Directors, we want to welcome you to the **LeadingAge Minnesota Foundation Golf Fundraiser** – an afternoon designed to connect with colleagues, hit the links and raise some much-needed funds to support the work of our Association's Foundation.

We look forward to welcoming members from all across Minnesota to take part in a day of fun, fellowship and philanthropy. With the resources raised during this event, our Foundation will be able to fund a statewide scholarship program designed for you and your staff to access meaningful education dollars as well as enhance its overall mission.

Whether you're an avid golfer or someone who only visits a course once each year, this four-person scramble is designed so everyone can enjoy the day. We're so excited to be playing this recently renovated course and to have the support of so many Business Partners to ensure we achieve our fundraising goals.

We look forward to seeing you soon,
