A Great Day of Golf Fun!

Whether you're an avid golfer or someone who only visits a course once each year, this four-person scramble is designed so everyone can enjoy the day. We're so excited to be playing this beautiful course and to have the support of so many Business Partners to ensure we achieve our fundraising goals.

- Enjoy the best summer networking event/fundraiser in the aging services field!
- Participate in a variety of skill contests. There will be a few fun contests that are not skill based too.
- A chance to drive a Party Cart that is decorated to the max and stocked with beverages, snacks and golf accessories for your foursome.

About Prestwick Golf Club

We invite you to experience Prestwick Golf Club. This par 72 championship golf course features five sets of tees and large undulating greens. Come enjoy the natural beauty of Prestwick Golf Club – from its lovely landscapes, to its colorful wildflowers and its strategically placed groves of mature trees.

About Our Foundation

Over 10 years ago the LeadingAge Minnesota Board of Directors enacted a bold vision of establishing a foundation that would support initiatives designed to transform and enhance the experience of aging including:

- Creating catalytic change in building the workforce for tomorrow;
- Advancing promising new approaches to service delivery; and
- Developing tomorrow's leadership, including but not limited to direct care, management, governance and volunteers of aging services organizations.

To continue this vital work, we need your support.
