

Nurse Lunch and Learn: *Delegation and Assignment*

March 22, 2023 • Noon - 12:30 p.m.

Purpose

Nursing delegation is a process that begins with decisions at the leadership level and carries through to the staff responsible for not only delegation but process oversight and finally to those performing the delegated task. Solid delegation requires effective communication and empowering staff to not only carry out the delegated task but to make decisions in line with their job duties or scope of practice.

Learning Objectives

- Understand delegation and assignment as written in the Minnesota Nurse Practice Act.
- Review principals of delegation and what this means for nursing practice.
- Participate in a delegation and assignment case study.

Suggested Audience

Directors of Nursing, Associate Directors of Nursing, Nurse Managers, and Floor Nurses in both care center and assisted living settings.
