Nurse Leadership Program

About the Program

The Nurse Leadership Program supports new and emerging nurse leaders in aging services. Nurses in skilled nursing care centers, assisted living, or home care settings, new to or moving into leadership positions, will gain a solid understanding of the foundational elements that make up the nurse leader's role.

Experienced, knowledgeable faculty led by Dr. Kari Everson, RN, LNHA, LALD, come together to provide a collaborative experience supporting nursing professionals to make a successful transition from direct care to the role of an executive nurse leader.

Professionals who attend this series will enhance their skills in leadership, regulatory compliance, management, strategic planning, communications, and innovative team development. They will learn to streamline and improve processes and systems, define new clinical approaches to services, and build a valuable network of peer professionals.

This 11-day interactive program is strategically scheduled over five months to maximize learning and provide timely supportive consultation. It combines lecture, discussion, experiential learning, self-assessment, independent assignments, research and practice in small work groups, and opportunities to interact with guest experts.

Who Should Attend?

Nurse Executives, Directors of Nursing (DON), Clinical Nurse Supervisors, Assistant DONs, Nurse Managers, and emerging nurse leaders. Supportive nursing leadership positions and organizations doing succession planning are also welcome.

Why Attend? Participants in this Program Will:

- Understand regulatory requirements and how to prepare for and navigate the survey process.
- Study best practices and how to incorporate them into organizational practices and operations.
- Learn how to have difficult conversations including employment law considerations.
- Explore trends and challenges of meeting the needs of older adults.
- Develop a network of colleagues throughout the state.
- Enhance team building skills.
- Take home quality improvement tools.
- Learn how to foster safe and satisfying work environment practices.
- Benefit from face-to-face conversations with regulators.
- Learn through small group work-study sessions.
- Become exposed to new and innovative practices, equipment, and systems.

Documentation**

About the Certificate

Participants who attend the entire series will earn a Certificate of Completion which demonstrates in-depth professional study of a topic area on an individual basis. It does not denote certification or that someone is certified as a nurse leader.

Continuing Education Credits

This program has been designed to meet the continuing education requirements for the Minnesota Board of Nursing for contact hours. Participants may also request a general certificate of attendance. CEUs are earned only for the individual registered.

Handouts

Participants will receive links to electronic handouts before each session and are encouraged to print them in advance or download to view on a laptop or tablet.

CONFERENCE REGISTRATION FEES

LeadingAge Minnesota Members – \$995 per person
Prospective Members – \$1,395 per person

Registration fee includes a continental breakfast, lunch, and morning/afternoon breaks for in-person days.
