# Assisted Living

## Home Care Nurse Leader Network (ALNET)

---

Networking with professional colleagues strengthens the nurse leader's strategic perspective, keeps them in the loop of critical information and builds confidence.

At our Assisted Living/Home Care Nurse Leaders Network (ALNET) Regional Meetings, nurse leaders share experiences, challenges, solutions, and best practices while receiving timely and important updates on trending topics in clinical care.

### Benefits

- Enlighten the nurse leadership journey and build confidence.
- Encourage a collegial network of participants who provide on-going support, feedback, resources and information.
- Address strategic issues facing home care services with key stakeholders utilizing relational and analytical tasks.
- Intertwine the operational, professional, personal and strategic focus of the nurse leader.

### Standing Agenda Topics

- Regulatory & Survey Updates
- Quality Improvement
- Professional Practice
- Complexity of Care
- Workforce

### Free Quarterly Meetings

ALNET meetings are FREE and take place four times each year -- April, June, August and October -- in four locations around the state.
