

# CORONAVIRUS (COVID-19)

## Toolkit for Independent Living & Housing-with-Services Sites

*Updated: June 30, 2020*

**PURPOSE:** COVID-19 is spreading across Minnesota. Older adults in Independent Living and Housing-with-Services are at a higher risk of because of their age and any underlying health conditions they may have. The risk of getting and spreading the virus is increased with group social activities, frequent use of communal spaces within their setting, and their activities that take place outside of their homes and buildings.

**WHO DOES THIS APPLY TO:** Owners, administrators, operators, staff, tenants/residents, and visitors of independent living and housing-with-services settings. This includes public housing for low to moderate income elderly.

Below are resources that your team can use to determine and communicate your policies to people at your site. If you need assistance, contact Bobbie Guidry at [bguidry@leadingagemn.org](mailto:bguidry@leadingagemn.org); 651-603-3508.
