

# Living the Pledge

## THANK YOU

*For Keeping Us Safe*

*In the Age of COVID*

It takes anywhere from 18 to 254 days to form a new habit.

**Wearing a mask is a new habit.**

Help each other to form good mask wearing habits.

How you wear  
your mask is as  
important as  
if you wear  
your mask

### Ineffective Face Mask Bingo

Honor your Safe Care for Seniors Pledge and Speak Up if you are running into barriers to Safe Mask Use to keep you, those you serve, and your co-workers Safe from Harm.
