

Living the Pledge

THANK YOU

For Keeping Us Safe

In the Age of COVID

It takes anywhere from 18 to 254 days to form a new habit.

Wearing a mask is a new habit.

Help each other to form good mask wearing habits.

Avoid touching
your face AND
your face covering.
If you touch your
face or face
covering, wash
your hands or use
hand sanitizer.

Honor your Safe Care for Seniors Pledge and Speak Up if you are running into barriers to Safe Mask Use to keep you, those you serve, and your co-workers Safe from Harm.
