Gentle Transitions has been fortunate to provide our service to low income clients when all or a portion of their Gentle Transitions moving expenses may be covered by their insurance provider.

The procedure is as follows:

Clients who are enrolled in a Minnesota Senior Health Options plan (MSHO) may be eligible to receive relocation/moving assistance through Elderly Waiver within their health plan. To qualify for MSHO, they must be receiving medical assistance and be over age 65 and enrolled in Medicare Part A & B. Their Case Manager must request approval from the health plan, which can cover a move which they would be unable to complete on their own (e.g. Assisted Living, Memory Care, Long Term Care).

After a request for an estimate from Gentle Transitions, the referring Case Manager will receive the estimate, send it to the health plan authorizing the approved services and they will authorize a reimbursement amount for that client’s move. The final invoice is submitted by Gentle Transitions through the health plan provider.

The Health Plan providers are:

UCare
Blue Cross/Blue Shield
Medica
Health Partners

Some of the referring clinics include:

HealthEast
Allina
Genevive Services
Keystone Community Service
Park Nicollet Clinic
Bluestone Physicians
Senior Community Services

We'd be honored to assist your clients.
