

PRINT AS MANY AS YOU THINK YOU WILL NEED... 1 FORM PER RESOLUTION. USUALLY EACH PRECINCT ONLY HAS 1 - 2 RESOLUTIONS PRESENTED.

## RESOLUTIONS FORM: February 27, 2024 Precinct Caucuses

### Steps to change the platform of the Republican Party of Minnesota:

1. Resolutions that are passed at the **Precinct Caucus** will be forwarded to the **2024 BPOU Convention**.
2. The **BPOU Convention** votes on these Resolutions, requiring a simple majority to pass.
3. Resolutions that are passed at the **BPOU Convention** are then to be forwarded to the **2024 Congressional District Convention** where they are voted on; a simple majority is required to pass.
4. Resolutions that are passed at the **Congressional District Convention** will then be forwarded to the **2024 State Convention** where they are voted on; where once again a simple majority is required to pass.
5. Resolutions that are passed at the 2024 State Convention are incorporated into the **Standing Platform** of the **Republican Party of Minnesota**.

The Standing Platform of the Republican Party of Minnesota has **10 PLANKS**. Before writing your proposed Resolution, indicate to which PLANK your Resolution pertains (review the accompanying **Standing Platform** for current wording of the standing planks). If you feel your resolution does not fit in a specific plank, check "OTHER":

As soon as you have your resolution written, give it to the caucus secretary. A maximum 5 minute discussion, pro and con alternately, will follow. A vote will take place and if passed, this resolution will be forwarded to the BPOU Convention.

I move that this precinct caucus support the following change to the above plank (1 of the 11 **must** be checked): (you may attach an additional sheet if more space is needed)

In the section concerning "improved quality" we resolve that the party include a section that states the following: We commit to building a vision and plan for providing excellent care for Minnesota's rapidly growing population of seniors.

### **Attachment for MN GOP Caucus Resolution**

- 75% of Minnesota Republicans agree that seniors have a right to basic housing, care, and support within 40 minutes of their home community.
- Nearly 4 in 5 Minnesotans worry that we are not prepared for the aging boom. We have 1 million people who are 65+ today, and over the next four years, we will have 50,000 more Minnesotans who are 80 or older.
- The State and its leaders have yet to show that we are prepared or that they have a comprehensive plan for the significant population of seniors that will need care in the near future.
- We do not have enough caregivers in the workforce to provide care for the number of seniors that will need it. Without a plan, many families will struggle to find adequate care for their loved ones and vulnerable older adults who need services will have nowhere to go.
