2013 HONORARY MEMBERSHIP NOMINATION FORM

According to the Association’s bylaws, Honorary Membership in Aging Services of Minnesota may be bestowed by election at each annual meeting. Nominations are being sought for these persons of distinction for 2013.

According to criteria established by Aging Services Membership Committee in 1990, honorary memberships will be awarded to individuals based on the following criteria:

- Honorary members shall be persons who have retired following a career in the field of aging services;
- Who have been active in Aging Services of Minnesota activities for at least 10 years; and
- Who have been exemplary leaders within the association at either the Board, District or committee level.

Honorary members pay no dues to the association, receive all association publications and may attend the Institute and other functions of Aging Services without payment of registration fees.

Honorary member candidates will be chosen by the Aging Services Nominating Committee and voted upon by the membership at the September 19 Annual Business Meeting at Madden’s. Past practice has generally limited Honorary Member Awards to two individuals each year. Members wishing to nominate an individual for honorary membership for 2013 should complete the nomination form found on the reverse by Wednesday, August 14.
