

HONOR OUR RESIDENTS

In the Age of COVID

"We don't always clean our hands after glove use"

"Hand sanitizer dispenser is empty"

"I don't feel like I have time to wash my hands for 20 seconds"

SEE SOMETHING? SAY SOMETHING!

Speak up if you see something that may be unsafe or makes you feel uncomfortable.

YOU HAVE THE POWER TO BRING OUT THE BEST LIVES FOR OUR RESIDENTS.

Together, we will increase the safety of the people we serve and our fellow team members
