MHHA’s bylaws provide for honorary membership to be bestowed on “persons of distinction” elected annually by the membership at the Annual Business Meeting. **Members wishing to nominate an individual for honorary membership should complete the form attached and submit no later than the end of the workday, Friday, July 18, 2008.**

According to criteria established by MHHA’s Membership Committee in 1990, honorary memberships will be awarded to up to two individuals each year based on the following criteria:

- Honorary members shall be persons who have retired following a career in the long-term care industry;

- Who have been active in MHHA activities for at least ten years; and

- Who have been exemplary leaders within the association at either the Board, District or committee level.

The honorary member candidates will be chosen by the Nominating Committee and voted upon by the membership at the Wednesday, September 17, 2008, MHHA Annual Business Meeting at Madden’s.

Honorary members pay no dues to the association, receive all association publications and may attend the Institute and other functions of MHHA without payment of registration fees.
